“ I was honored to work with Rickey on election issues when I was at the Secretary of State's office and he was Chairman of the Catoosa County Board of Elections. He was one of the best election officials in Georgia, and he made sure elections were conducted honestly and with integrity. And because of that, he was able to fearlessly stick up for election results with strength and fortitude when others would not. I was proud to know him and call him a friend. I miss him.

“ I miss Rickey 😞
We were friends for 17 years from our days at WM. We shared a deep interest in our Constitutional Republic and preserving it. Rickey introduced me to Gov. Sonny Perdue and we went to Perry, GA to see President George W. Bush. I could always count on Rickey and I appreciate all he did for Catoosa County despite his health difficulties. I miss him and give my deepest sympathy to his family 💕🙏🙏
