“ My Uncle Rickie was the person everyone grew to love in an instant. He had a ground shaking laugh that could be herd for miles and miles. He would tell stories that would keep a smile on your face an warmth in your heart. Unfortunately he never married or had any children but that never stopped him from spreading his love for family and people around. I will never be able to compare him to anyone else because when you meet someone such as himself there was no comparison! I will forever hold a place in my heart for him. He is now a memory I will never be able to replace. We (all the family/friends) enjoyed every single minute we were blessed to have with him. We love you and will see you again "Big Rick"/ Uncle Rickie!

I have known Rick for close to 40 years, and I accidentally saw his obituary tonight. I am in total shock! Rick was a big sweet teddy bear. He was a close friend, although we had lost touch for quite some time, and ran into each other a couple of years ago. He was a great friend. When he would come to see me he would ask if there was anything that needed fixing and would take care of it for me. We went to church at Woodland Park, and I remember when he accepted the Lord as his savior. Rick was a precious person and I am so sorry to hear of his passing. Heaven gained a gentle giant.
