“ Rick was my very dear childhood friend. Although there was a lot of time between each visit back to Chatt., we always picked up where we left off with our reminiscing of the fun times we shared over the years. I drove down as a surprise guest at his 50th bd and we literally sat and talked for several hours before we realized how much time had passed, because it seemed like only be a few minutes.

We always had a sweet bond with extra sweet memories dating as far back as I can remember as a small child. His family was my family and they all treated me like a daughter. Rick was such a funny person with a heart of gold.

My heart is so heavy knowing he's no longer with us, and my prayers for his family will be spoken very often. Thank you Rick for being such a wonderful and sweet friend to me. You'll never be forgotten, buddy.
