“ *I was in 4-H with Rita and we made several 4-H trips together - even flying to Michigan State University for one. She was so much fun and a great role model for others - and what a wonderful smile! Prayers and strength for her family.*

“ I have so many memories of Aunt Rita, but I will share a few of my favorites. One of my favorites was when she took us camping on the family farm. She built a fire and set up a huge tent (or as a kid I thought it was huge). We roasted hot dogs and made s'mores, and we all laughed and told stories and giggled so much that I do not think she got much sleep that night. She made it so much fun, and I will never forget camping on the farm with her.

Another precious memory is when she made all of these Christmas Carol books for a Christmas hay ride on the farm. She had printed all of the carols and then made booklets for everyone. I kept that booklet for years until it fell apart with age. It was the best hay ride I ever went on because our grandparents, aunts, uncles and cousins were singing Christmas carols, laughing and having a great time together. I loved family Christmas on the farm.

Aunt Rita knew how to throw a party whether it was July 4th, a birthday, Christmas or any occasion. She thought of all of the details, and always had everything looking so beautiful and festive. I often think our cousin Shauna got that gift from her, because she also thinks of every detail when throwing a shindig!

Rest in peace, Aunt Rita. I love you!
