“ Bill was the first person to ever pull me over. I was driving too slow in the fast lane, he pulled up behind me flashed his lights and then pulled in front of me. Well instead of hitting my blinker to get over I ended up bright lighting him. Once I got over to the side of the road my mom got out of the car and said Bill why you pulling over my daughter. He said no way is this Jennifer I remember changing your diaper when you were a baby. They were laughing and I was crying lol. Bill was a great great guy. My dad and I are so sorry to hear of his passing. Praying for you guys during this time. Dad says he sure will miss his buddy.
