“ *The memories I have of Robert are irreplaceable and unforgettable. He had such an impact on my life as well as others with the fire dept @ Chickamauga. I always looked up to Robert and looked forward to running that next call with him our just seeing him in or around town. He always had a smile and his own style wave to throw up at you. Thoughts and prayers to his family. We'll see him again one day!*

“ David, JoAnn, Carol, Ann and family,
Even though we are sorry for your loss, we know that Robert is definitely in a much better place now. We thought of, and talked often about the pain and suffering that he had been going through for quite some time. It was incomprehensible. Bless his heart, he is now at peace and with those that he loved who went before him.
