Remembering you 😭.. thinking about all the Braves games we went to.. Playoffs, World Series, the whole family having the time of our lives with my (our) daddy... I miss you 💕😭. “my daddy “. I had the best and I am so fortunate to carry so many wonderful memories in my heart. Living without my daddy is finally starting to get just a little bit easier.. still hurts like crazy though.. I think about you and things you said and did so many times throughout the day.. I still feel you with me, which helps.. man, Daphne is almost 4... she’s so much like Lauren it’s frightening.. But MORE LAURENISH.. You would have a blast with her.. I’ll do my best to make sure she knows about her wonderful papaw.. Lauren will too. You should see the two of them. Lauren absolutely adores her. She’s engaged to a very fine young gentleman.. You would approve. Daphne’s future is secure with them when the time comes..I love you... I miss you..

“ I miss you so much. I cry every day.. I cry tears of sadness and tears of joy and peace. I'm sad because my daddy isn't right up the road anymore. I'm joyful that you're with mother, just like it should be. The only thing that gives me any peace at all is knowing that you're not suffering any more. I'll always keep the picture of you winking at Lauren just before you had to go in my mind. I have 2 daughters for which my heart breaks. One that had you for 18 years and one that is too young to know that she had the best papaw ever. But don't worry, Lauren will tell her all about you in years to come. I miss my daddy. There's an emptiness and a void that nothing can ever fill. I rely on a lifetime of wonderful memories of you to get me through the pain of losing “ my daddy “. My partner in crime.. thank you for taking our secrets with you!! Lauren wears one of your flannel shirts and she has your key around her neck. I smile sometimes because I can feel you with me. ,, then I cry again.. and something funny “ only you “ comes to mind- “🎵 I beg your pardon... I never promised you a rose garden🎵 “ .. then I smile again. I listen to Jeff's stories he told at your service quite often. He honored you beautifully . I'm so proud to call you my daddy. Look in on Rita.. your first born needs to feel you with her.. I miss you so much!! I can just imagine you and mother dancing. The four of us still need our mom and dad to watch over us. You both still have a job to do 😊.
