“Dad it has almost been 2 months without you. I miss you so much. I have the most handsome grandson daddy. I wish you could have met him. He is so precious. I want you to watch over him and all of us. Its so hard to go on without you. I listen to your voicemails that you left me all the time. You were the best dad and papa we could ask for. I didnt tell you enough that I appreciated all you done for me and my boys. You took on the roll of not only papa but dad to them and I am so grateful to you. I have thought over and over what I couldve done to prevent this and I know it was just your time. My heart is broken but I know you are in a better place. Rip dad I love you
