“ My Papa was one of the smartest and kindest men I knew in my life. As a child I was so fascinated by his beekeeping and National Geographic magazines and he was always happy to talk with me about them. I cherish every memory we ever made together...from the time he laughed at me using and understanding the word "harbinger" as a toddler to all the Sunday dinners we enjoyed together when I was grown...there were far too many good memories for me to write down here and I will always hold them close to me. I love you, Papa! Always!
