“ Robert was a very special and kind man. He worked for my Daddy at the Wheeler Dairy farm. He was there every morning at 4:00am and 4:00pm to milk the cows and everything involved in that. It was very hard work, but Robert always did it with a smile. He was always laughing and joking with us. We will miss him greatly. We love you guys and are praying for you in this time of grief. Peace be upon you. Janna and the Robbs family
