“ I am deeply saddened to learn of the passing of Bob, he was a neighbor of mine for many years and such a good friend. I talked with him on his birthday and had for years. I received the Christmas card back and started searching. He will be missed by me and I know by all. HIs humor was undaunted. He always had a joke when we spoke. May he and his love Cathy R.I.P

“ What a great and wonderful man you are. Bob. I hope you know how much I loved and admired you throughout our many years as neighbors and best friends. Cathryn was more a sister to me than a friend . Even though you are finally with ,Cathy, I hope you know how much you will be missed by all of us who loved and admired you and how grateful we are to have known you and been able to share all these many years as friends and in our eyes family. So now you can go and be with Cathy, tell her we love and miss her and we are happy to know you both are together again as it should be. God Bless you both. All our love , Linda and O.T.

“ Bob you will be missed so much. We were the first ones to meet you when you moved here and we shared birthdays. I remember when we were like family and you call me son and I called you dad. We did so much together from building things together to racing lawnmowers down the road. Love and miss you. Gary and Nancy Hullender
