“ He was the best Daddy any one could have ever wished for I was so proud he was mine. These last few months since he had been diagnosed with this terrible disease we had really important talks and talked about some memories that most people wouldn't ever remember but he did, every one of my ball games and things he took me to do, that I didn't remember he did . The love and respect I have for him will never die. I will miss him dearly. I have no doubt he is in Heaven with his family and mine, and he is smiling and happy . Josh has his papaw with him. I will see you again Daddy and I want to Thank you for being my Daddy and loving me . Your Daughter Glynda
