“ Roberto & my Sis have been like my 2nd set of parents growing up. I was at their house as much or more than I was my own. They kept me while my parents worked & took me everywhere they went. Things didn't change after I had my son. They welcomed him to the family like he was their own. I'm going to miss my brother-n-law calling me "Tami Denise" all the time. He always said I was his favorite sister-n-law but he loved us all. His funny stories were always the life of the party. We had so many adventures together after he retired. He loved it when Linda & I took him to Cades Cove to see the Turkey, Bear & Deer (HaHa he thought we were crazy for liking that place) :) But he was a trooper & went anyway! He loved his scrambled eggs & popcorn. One of my favorite memories with him is STARS!! We all took blankets & popcorn out to the front yard & watched the meteor showers together as a family❤️❤️❤️ He will be missed by so many!! We Love you Robert & we will see you again one day! I bet mama has a banana pudding waiting for you right now! You & Daddy better be good to her! I know how sneaky you both can be together!! Love you Brother-n-law!!!

“ *He called me his #1 daughter, Reecybaby, and Vikki Sherrice (when in trouble). He was the best daddy a girl could ask for. He was the first person I went to when needing advice. He always guided me with wisdom and told me to pray about it. He loved hiking and being outdoors. The last few years since his retirement have been some of my very favorite memories! From Midland, Tx to Friday Harbor, WA and many stops in between I will never forget our time together along with mom and Bo. I'm so thankful for the memories and that you are no longer suffering but rejoicing in heaven.*

I love you forever Daddy! I miss you like crazy!

Love, Your #1 Daughter💛

“ *I think we can all agree that some of his stories were so crazy, that you couldn't be sure if it was the truth or not. Haha! He lit up the room & brought joy to everyone he was around.*

I love you a bushel & a peck, Pops. I miss you so much!
