“ *Treva Forster lit a candle in memory of Robert Joe Jackson*

I met Robert back in 1982. He came to lay the blocks for the foundation of our home. Well, a couple of years passed, as we were building our home in stages, so the blocks shifted & Robert came back & relayed the blocks...At no charge! Robert sure blessed us because we didn't have the money to have them played again....Robert was a true servant of the Lord! Heartfelt thoughts & prayers for the family....
