“ I am so sorry I wasn't able to visit Robert one last time. He and I go back to 1975 when he first came to CARTA. Robert was a special guy, and all of us who knew him hold special memories. I enjoyed seeing him at the retirees' luncheons over the years, and although age and health had taken its' toll, Robert was still Robert. GOD willing, we will all reunite in a much better place someday. Until then, my prayers and best wishes go to those who miss him.

“ Robert taught me how to: (1) Play in the dirt with cars, trucks, tractors, etc. (2) Climb a tree. (3) Hunt for minnows in the spring water. (4) Play marbles but that hurt when I flipped that big "Agate Shooter" so I didn't like that very much. (5) Swing HIGH on a tree swing .. (A pecan tree that I believe still stands 'til this day some 77 years later). Swing high Cuz and RIP
