“ My cousin, Bobby, was the only person I have ever been on the CannonBall at Lake Winnie with. I remember he had his arm around me, I was probably 9 or 10, and my pink headband flew off. I cried because I was scared and because I lost my headband. He kept his arm around me until the end and then found my head band in one of the cars behind us. That is one of my favorite childhood memories. Our families had a lot of fun at Lake Winnie, that is one of many memories with my cousins. We had a lot of good times growing up. Rest in peace.

“ So sorry to hear that Bobby has passed away. He had a special place in our hearts. Bobby played baseball on David's team from the time he was six years old. It was an incredible team with some wonderful boys. David was so proud of all of his "boys". Bobby and his family were like family to us. Bobby and Ken grew up and went to school together. So many memories. He will be missed. Prayers for the family. It is so hard to give up our loved ones.

“ My heart is very sad to learn of your loss! I knew of Bobby from Hughes Avenue Baptist Church. He was a quiet, kind, gentle and respectful young boy. Also, his sister Amy was a good friend to my daughter Gina Wilson.
My thoughts and prayers are with all of you. May God give you peace and comfort during this very difficult time of grief and sorrow!

God has called another angel home!! Not enough words to express how sorry I am for Bobby's passing. . Just remember,this is only for a season. We will meet with our loved one's on the other side one day. No more sorrow, no more pain. My prayers and thoughts are with you and your family.

I was truly blessed to have had Bobby as my Son in law. He was everything Angie needed , he was always wanting to help someone and would never except money, he truly was a Gentle Giant, he loved everyone, he never complained, he loved Angie so so very much and she did him also. The last words he said to Angie the night we had to take him to the hospital were after he murmured several words you couldn't understand were as plain as day were I Love You Angie as they rolled him out . But no more suffering, he finely got his perfect healing that we had all prayed for. Now Son go rest in peace. I loved you Bobby Sullivan! I don't think I have ever seen a Wife that did everything perfect for her Soul Mate as Angie did.

Buddy, words cannot express the sorrow I feel for you and your family. Your son and mine are the same age. They actually played against each other while still in school. I pray God's speed in your healing. Continue to trust God, for He is still in control.

“ I only knew Bobby through former coworker and dear friend Linda Napier. Heard lots of stories of his youth. He was a very loved son. I'm so sad to hear of his passing. As a Christian I'm confident he was taken by his hand and lead through the pearly gates to the kingdom of heaven where he will wait to greet his loved ones when they join him. My thoughts and prayers are with his entire family.

“ *My favorite memories of Bobby was when he was a young man growing up in East Ridge. He played ball with my son Mike Boggess & several other friends from the neighborhood. They all played from around six years old all the way through high school. He was an outstanding ball player.*
Most of all he was a great friend and a great person. He always had a beautiful smile. He loved his family.
Bobby we will miss you! We are glad to know that you are now with the Lord. May you rest in peace!
