“ I looked forward to seeing "Teets" when he made pick-ups at Showa. We always had a great time with our jokes and bashing each other. Not to mention all the other "nicknames" we had! He was a true friend and I will miss him deeply. Prayers for the family.

“ There were a lot of people that were shaken by this heartbreaking news at Unique Fabrication in Lafayette. We all thought the world of you and can't begin to put into words how much you will be missed. There is a picture you drew on my board that will for sure never ever be erased. My prayers go out to your family for strength, especially your wife.

“ People say the good die young but in some cases God leaves them here a while longer to become best friends, fathers, brothers, and in this case one of the best shooters I've ever known. This was the worst news that I could have gotten on my way to work to hear of your passing but I know God has a plan. Jeff you are and always will be my shooting neighbor on #6 and will forever hold a special place in our lives.
