“ *My dad raised many children in his life and it was of no matter that they were not biological to him, because he loved them everyone. He was a kind and caring man and I hope this will put an end to all the biological talk please! It is not enough that I have lost my dad and his other family as well because he would not want this.*

“ *I just learned of Bobby's passing and wanted to let you know my thoughts are with you. I was so glad that Bobby reached out and located me after all these years. We were the last of the our generation on the Falls side. It meant so much to connect with him. Our lives may have moved in different directions but I have many good memories of our formative years. May the Lord bless you and watch over you in the days ahead.*

“ *In the Obituary by accident it was left out, that my dad Robert Murray was preceded in death also by his daughter who died as a child. Her name was Rhonda Karen. He is now gone home to be with all who have gone before him and life being but a fleeting moment we shall see him again, but next time there will be no parting and we shall remain together forever in the place Christ has prepared and we have been promised.*

“ So many memories from the past thirty some years still flood my memory. He was a good kind hearted and wise man. Eighty three years is a good long life and he so positively influenced countless numbers of people. Im sure there was a special place in heaven for him and he was met by his loved ones who had already received their reward. Countless children called him Papaw and he loved each of them and was never happier than hearing one of them call for him. Its been a week since you left us and I miss your humor your wisdom and just the daily conversations we had. You certainly will never be forgotten and were of a special kind. We had good times from keeping goats and horses to vending snowcones together to going to the flea market. My life is and will be better because of you. Love respect and admiration only scratches the surface of my feelings. RIP Robert T Murray Papaw Bob

“ Bob is up in heaven with Jesus and would be so hurt and embarrassed by the way his biological relatives are behaving. But, we have such a loving God that He will not let Bob hear this nonsense. It's a shame that some can't honor Bob's memory without causing drama. Bob would not want us to continue to do this. We love you Bob! See you soon.

“ Yesterday, I lost a great man that I have known for all my life! His grandson, Cody Cantrell and I used to attend Pre-K all the way through High School together. They all lived right down the road from me and my family. I remember seeing Bob at gas stations or school events and he always making sure he got a hug from me. I feel as though he is my own family member. I will miss him terribly. It will not be the same without him. I know he is in a better place and looking down upon us and giving us guidance, and a laugh, when we need it most! He was an extremely special man!

“ Yesterday I lost a very good friend. I have known Bob for close to twenty years. His grandson Cody and my granddaughter Vicktoria have been friends for all their lives, and Bob and I have always tried to be part of their lives. We would talk at PTO meetings and other school activities. He will be greatly missed by family and friends. God speed him to his reward in heaven.

“ *My Vicktoria and Cody attended school together from beginning through high school and this is how I met Bob and Nadine. We would often sit together at school events. We also live on the same road in Rossville.*

Bob was a delightful person. His sense of humor would always bring smiles and laughter. He was a loving and caring person. It was an honor to know him and I am thankful for sharing a small part of his life.

I send my prayers to his family and ask God to comfort them as only He can. God bless each family member and friend!

“ Seeing as how Cookie didn't mind messing up the obit. I won't mind messing up the memory book. Robert Thomas Murray has only 1 son Charles Darrell Murray. Also only 2 Grandchildren, Charles Daniel Murray, and Sarah Jane Murray Lemaster. 5 Great Grandchildren. Robert Thomas Murray, Jessica Murray, Danielle Murray, C.J. Lemaster, And Abigail Lemaster. I just put this on here for our future generations who might do a search in the coming years. It is sad that some people would change history for their own purpose!
