“ *I will always have fond memories of Lt. White. He was such a kind man and cared deeply about his officers. He was not only my mentor with the Georgia Department of Corrections but he was my friend. I had a great deal of respect for him. He was one of the good guys. I am so thankful that he knew the Lord and I will see him again.*

“ I am very sorry to hear that this great young man has passed. I had the privilege of working with him at FOPD in the 70s and he was a joy to be around and work with daily. He was always cheerful and kind in everything he did and he was source of strength for all of us who worked with him. I haven't spoken with him in years but the world was a better place just knowing he was out there somewhere. I'm saddened that he has gone before us, but there will be a reunion one day. Our prayers are with him and with his family in this time of his homegoing .
