“ So sorry for your loss. I did not know Rocky, but it happened behind our church and I was there with the kids for VBS. We saw the accident right after it happened and prayed for him and the family. It was very tragic and he was very young and I know you miss him a lot.

“ I was Rocky's basketball coach at Chattanooga First Church of The Nazarene. Rocky was a lot of fun. He had a good attitude and always tried his best. It was really fun getting to know him. He had a great sense of humor and always had me laughing! Coaching Rocky and that team was a great time in my life and Rocky was a big part of that. I'll be praying for the family in this time. I'm very sorry for your loss.

“ Rocky and i had almost every core class together and I will always remember how much trouble we would get into in Mrs. Words class. She always as to move us away from each other so we wouldn't disrupt the class. He always made a bad day better for me just with his goofy personality. I will miss him greatly he was a amazing guy and I cared for him dearly.

“ We made many wonderful ball field memories with your family (early mornings and sometimes late into the nights)! Rocky was such a great athlete and we, as well as Landon, thought a lot of him! We were talking about him the other night & Landon recalled how "Rocky always had a way of getting his white ball pants dirtier than anyone!" And us moms would sit in the stands comparing laundry secrets as to how to get the red mud out! We miss those days and wouldn't trade them for anything! Our thoughts and constant prayers have been and will continue to be with your family! We can't begin to imagine what you're feeling but, through the good times AND the bad, we know that God is still faithful and will be the lifter of your heads!!!
