*I hired on with Roger at AB back in 1992. We worked together off and on while he was in the brewing and powerhouse dept.'s then when he come over to the packaging side we worked together every day until he retired. Roger was very much a family man and was continually talking about them (mostly good). He was also a man after God's heart and tried to live by the word. He was also very proud of his military service and never failed to speak of it.*

*Roger was one of those people that you could always depend on to help you out. It was an honor to know and work with him for so many years. May God bless his family and keep ya'll in his hands.*
