“ There has never been a more precious soul than Rollie. I’ve known him since I was a child. He was my favorite person in East Ridge Hospital (next to my mom, Dorothy). Rollie was like my bonus dad and I loved him so much. He will always be a huge part of my life because it’s people like him that help shape a young child to become who they are later in life. He did that for me. I’ll always have the best memories of him to keep with me and knowing he’s in heaven with our Lord is most comforting. My mom and I love you so much Penny. I’ll keep you and the family in my prayers.

“ Rollie, My precious brother-in-law. You are going to be missed by so many that loved you.

My fondest memory was when we went to Dolly Wood. You were in front of me in the crooked house. You made a statement as you were walking crooked and shouted out..

"Wow, I could of had a V8 !! It was absolutely hilarious! I will never forget this memory and many more.

I know you are at peace with our Heavenly Father. We will see each other again.

Love you always, Teresa Smiddy

Oh yes i do I pay my debts. He busted out laughing. I sure am going to miss you RA. But I am left with a lot of awesome memories. Love you. Your sister in law*
