“ *It's been almost a year now since Jesus took you home. I miss you like it was yesterday. That quiet place is still there in our home. The place that was yours. I listen for you even though it has been months since you walked through the house. I will always listen for you Daddy. Always. I love you more than words could ever say, and I miss you. So, so much. Love, Kris*

“ *Ronnie has been such a big part of my life for almost as long as I can remember. He gave me away at my wedding and has always been such a gift to us. I'm so glad he married Alice and became part of the family. He will always be remembered with love. The painting he did for me of my Daddy is my most cherished possession. Love, Jenny Eaton*
