I'm so sorry to hear of your loss and apologize I'm just know learning about it. He was always so nice and calm tempered. Anytime you called he would pick up and in no time you would be headed to see him. It didn't matter if he was working or at home he was always available when you called. One time we didn't have a radio and sang She talks to angels the whole way there. know your heart is hurting and I hate this for you and Wendy. Sending light.
