“ Uncle Ronnie, although I hadn't spent much time with you in recent years for my family and I lived so far away, I had at least had the chance to meet you when you came to my grandparents house in Cleveland in your corvette. I remember that day like it was only yesterday, that shiny blue car pulled up and I remember how happy my papa was to see you. You'd be happy to know that that corvette is still in fine shape here a few months after you left this earth. I remember visiting you on your last few days in the hospital, how you touched my heart with the kind words you said. Never once did I hear a complaint, you seemed not concerned of it, but more about those around you. You left this world physically but you'll never be forgotten in our hearts and minds. We all love you very much Uncle Ronnie. See you one day.

“ I knew Mr. Steele through CVS. He was always so nice and helpful. He always had a kind word when I would go into the store. I hated hearing that he was sick. My prayers are with his family.

“ There are no words that can truly express the sadness of the loss of an uncle. Uncle Ronnie was so sweet and always made me feel so loved. I believe that Uncle Ronnie, a timeless classic, has been taken to Heaven as part of God's own private collection. We all love you and will miss you until we see you again.

“ *Ronnie is my dad's younger brother. He had to be the most precious, kind person, in the world! From the time I was little until this past Sunday when I last saw him, he called me "kissy girl"! Because, I always hugged and loved on everyone!! I love my uncle Ronnie and am saddened by his passing. May you rest peacefully in the precious hands of God!*

“ *We were so sad to hear of your passing. We were always greeted with a smile and a kind word or two or MORE. I remember you talking about your first grandchild and showed us the baby's picture. You were beaming with joy of having this new addition to your family. Thanks for helping us in so many ways. You will always be a remembrance to our family whenever we go into or near CVS in Ringgold.*

“ *My heart goes out to the Steel family.*

Ronnie and I had some great times in the early years as single men. We took care of each other and always had each others back. There wasn't anything I would not have done for him and him for me.

A really, really good friend is so hard to find.

Then God blessed us with 2 great godly wives.

Ronnie and my priorities changed it was now family first. Yes sacrifices were made and it was well worth it to raise our family in a godly manner and to see our children grow up in church and to become good outstanding adults and giving us both great grandchildren.

Our prayers are very much for the Steel during this time. And we all are indeed here for you in any way that's needed.

*Love you all,
Bill and Carol Newton*

I will see ya later ole buddy on that great day in Heaven!

“ Sad to see my ole friend Ronnie (Ronald) leave this world on Wed. 4/9/2014.

But I also realize he now has no more sorrow, no more pain, no more tears, a full head of hair, Ronald is feeling great, he now has the perfect body!

Because you see Ronnie is;

"WALKING WHERE JESUS WALKS, he's talking to the people of Heaven, he's running those streets of gold, he's sailing that Crystal Sea and he's at Jesus's feet, and thanking Him for saving thee!"

So ole buddy this is not a goodbye this is a "I will see you later on that great day in Heaven."

Love ya ole buddy, be seeing ya!

“ I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, “If a man dies can he live again? ...You will call, and I myself shall answer you. You will long for the work of your hands.” {Job 14:14, 15}. God will have a longing to resurrect our loved ones who have fallen asleep in death.
