“ My condolences to the Shelby Family! Roy and my husband Bob were football officials together and I would talk to Roy when he would call Bob to discuss football...I know that the two of them are probably talking football in Heaven as I lost Bob three years ago....two good men!

“ I just received an e-mail today the 30th about Roy's passing and I'm shocked. I'm so sorry missed the funeral. Roy and I where close friends in the mid 80's. Always running together. I got married in 1987 and our friendship seem to fade over the next couple of years. I find myself thinking about Roy wondering how he is doing and maybe trying to get in touch with him. I just waited too long. He will always remain my friend and one day we will see each other in heaven. May God be with him.
My condolence to all his family and friends.

“ I was so sorry to hear of Roy's passing. He was a good friend. We met when he moved next door to me over 30 years ago. We didn't see each other often over the years but like it is with true friends, when ever we did see each other, we were able to pickup right where we left off. Roy had a great sense of humor and a kind heart. He loved his family. I'm certain that his passing from this life to the next will be the greatest adventure of his life.
