“ Sorry to hear about Roy, back in the late 70s and early 80s I got to know him pretty good through people and places we worked. He and Wellingham, I believe his first name was Donnie or Danny? Long time ago but great memories, they were security at lake Winnie and I ran across em both later at Hutheson hospital working together.
We always shared some laughs about our escapades at lake Winnie, lol great memories of a fine person, I know he will be missed
Godspeed to the family
