“ Dear Ruby, since the day i met you we have always been really close and shared alot of good memories. I am really sad to know that i want be able to call you or see you and spend some time that we were planning to do . This is so sudden that it feels as if its not even real. I know that such a sweet and loving woman such as yourself is looking down from heaven . I will miss you my friend and will always cherish every moment and memory we shared. I love you my friend, until we meet again. Your Friend,
