“ *I've always loved Kaye so very much. She was an angel and a pistol at the same time. She blessed the lives of many people including my own and I will never forget that. I'm so very saddened by her passing. I extend so much love & prayer to Big Boy and the rest of the family.*

“ *Mimi was such a special lady. To know her was to love her. The Roughneck Nation thought of her as MOM. Ms. Mimi would set you straight in a skinny minute. When she did, you wanted to hug her neck because you knew deep down she was right. She did it with love. A very special lady who will be missed by all who knew her. Rest well my friend. We will meet again.*

“ *She was funny, sweet and sassy when she had to be. :) I loved her the first time I met her. I will never forget eating peach cobbler with her, one spoon for me and one for her and no plates. Sweet sweet memory.*

She was a mimi to many and i know she will be loved and missed everyday by many many people. I will miss the conversations and especially her hugs. Eddie Kristie Deron we love you all and know how hard this is for you. She loved all her family dearly.*
