“ I just heard about the passing of my friend, Rudy. As a friend, boss, and mentor, he was instrumental in my successful career as a hospital pharmacy administrator. Those of us who knew him in Leesburg and Sebring will miss him. Jim and Georgi Lumbard

“ My grandfather was a great example to everyone with his charity, kindness, service, personal beliefs, and ethics. He will continue to be a great role model in my life for many years to come as I pursue a similar college degree to what he achieved. It was such a privilege knowing you, and I will continue to do great work that will consistently make you proud!

“ Rudy Reinhardt will be remembered by many people for many things. My memory is of a loving father and mother accompanying their daughter to purchase a home in an “unfamiliar” city. He was gentle and kind and it was obvious how much he loved his family and had their best interests in mind. Later, his daughter, Karen moved to Calhoun. It was my honor to work with this family and I pray that the following days be filled with sweet memories.
