“ Rob (Smith) had a strange way of showing it but he looked up to Jordan so much. Jordan was like a father figure to him at times when he needed someone to put him in his place. Of course anyone who knows Rob knows how he doesn't show his emotions very well, but he wants Lisa and the family all to know that you are all in his thoughts and prayers and he is devastated over the loss of such a wonderful man.

“ *Such a loss of an amazing man. A true friend to anyone whom he called such. Could depend on always and would walk through fire for any one he loved. Definitely one of the last of a dying breed. So many many memories and laughs shared over the years. He will forever be remembered and missed. My deepest sympathies to Lisa and all his family.*

“ Jordan and I were inseparable as kids. We got along so well and I always thought of him like a brother. I remember playing pool in the downstairs room, riding with him on the back of my motorcycle - poor guy flipped off one time and broke his collar bone. I have indelible memories of our childhood and I'm so grateful to have known him. My prayers are with all of you as you grieve this loss.

I'm so sorry to hear this. Praying for Lisa and family. He and Lisa both so good to Jake . Jake loved him and thought the world of him. Loved his "Uncle" Jordan.
