Mickey, as I knew him, and I was best of friends in Jr. High. We lived next door to each other. He taught me how to swim in Chickamauga Creek. So sorry for your loss. He was a great man.

“ *He was the best daddy a girl could ask for. He stepped in when I was right at 4 years old and was there for me since that day. He didn't have to be, he chose to be. He taught me everything I know, including my charming sarcasm. I miss him so much!!!! I love you Daddy, fly high and I will see you in again one day in Heaven!*

“ *To Jody and family,
So sorry to learn of Sam's passing. I'm still in shock of learning the news, Sam was a great officer and a very dear friend for nearly 40 years. He was a jack of all trades as he could do about anything. News director, computer wizard, bus driver and so many other talents.*

Sam and I worked together and was my training officer at cpd and we were partners in the task force. He was great as range master in training division. He taught so many younger officers and helped them along in their career.

He did so much it's impossible to mention it all.

He will be missed by all that knew him and how he touched our lives in some way.

Goodbye old friend I won't forget you. May you rest in peace.
