“ Hello Mike, the kids and I are saddened and surprised by your loss. We always loved seeing Sandy's sweet welcoming smile whenever we saw her at Cracker Barrel and her friendly wave whenever we passed your house. Luke says that now every time we pass your house he will be sad but will look forward to seeing you wave. Once again, we are thinking about you and all of Sandy's family. Bill, Joanna and Luke Rosenbalm.

“ Mama,
You will be missed dearly by all. You have touched the lives of so many & those who got to know you are truly blessed. I thank you for all the wonderful memories we were able to share. Makayla is a spitting image of you- her eyes, her smile, & her kind heart. I wish we could have had more time but god needed one of his angels to come home. Please watch over baby girl and the family. Our hearts may never heal but the memories, your laugh, and your smile will last forever. I'm sorry Makayla & I could not make it today but know we will carry you everywhere in our hearts. Michael has shaped into a truly amazing man and know that he was beyond grateful for all you have done & truly proud to call you his mama. Please do not worry about dad we will take care of him. We love you always & you will deeply be missed by us all

I'm so saddened by this! I remember all the times you would yell at Johnny, Mike, and I to get in the house because the street lights came on. And when we would get to play in your pool and when you and my mom got into a fight with the neighbor across the street because her mom said we ran over her cat. haha. I love your whole family and my prayers are with big Mike, Johnny, and Mike Jr. Dan and my family miss you all terribly!!
