“ *My condolences go to the Smith family, who have lost a member, who was a dear sweet woman, who I had an opportunity to meet with my other sisters, and brother when we were in Tennessee seven years ago at a family reunion! May the family have many fond memories of her and her close family at this difficult time. ❤️*

“ If roses grow in Heaven Lord, please pick a bunch for me. Place them in my Aunt's arms and tell her there from me. Tell her that I love and miss her when she turns to smile. Place a kiss upon her check, and hold her for a while. Let her know we miss her and remember her every day. I love you Aunt Sandy and I can't wait to see you again one day.

Lots of good memories over the years sharing the babies and kids with Sandy and Bill and family. This journey for her will be the best. She is already there.
