“ Sandra,
I'm sorry it's taken me so long to do this. Not a day goes by that I don't think of you. I thought, hoped that you would follow me, but I suppose that wasn't God's plan. I remember how sick and how much pain Mama was in. I can't believe someone can survive that pain, so I know you had to go home. i miss you but I'm glad you are not in pain and agony, I love you and I will see you again soon. I miss you Charlene. Try to be good up there, I'm sure heaven is full of laughter now. Til then. Missing you

“ I miss drinking lemon juice with my favorite cousin in the world. I think of her every day. I miss her so much. We are the same age, of course she was 20 days older.?? but I once threw a snake at (charbo) we laughed so hard after she calmed down. We did some crazy things to each other. She was my world. I miss her and love her, and mostly will never forget our fun times. I REFUSE TO FORGET YOU CHARBO.

“ *To The Family,
I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, “If a man dies can he live again? ... You will call, and I myself shall answer you. You will long for the work of your hands.” {Job 14:14, 15}. God will have a longing to resurrect our loved ones who have fallen asleep in death.*
