“ Her dementia was very advanced when I started taking care of her but I could see she loved the Lord. She also loved her baby dolls. She always took good care of them. She will be missed but she is in the presence of King Jesus and she is not suffering anymore.

“ Sarah may have not said one word to me over the three years that I got to spend in her life however she made a big impact in my life. She changed how I see people. She was a joy to be around. Sarah will be missed.

Sarah will be missed! She often liked to play hide and seek, looking at family pictures, or taking care of her babies!! She kept us busy at times! So sad that she is gone but I know she is better! No more suffering!

Until we meet again!!!
