“ *Scott was one of the most kind, honest, loving men I have ever known. We had known each other for many years- and developed a loving relationship but due to the distance between us it was not meant to be. I miss Scott dearly and have thought of him almost daily. I am so sorry for your loss- but just know that one day we will get to see Scott again. Courtney- I remember when you were a little girl- how much your father loved and cared for you. Carry those memories in your heart darling. I love and miss you all.*

“ Today we said goodbye to our son, brother, father, cousin, and friend. Scott was a computer genius. What will we do now that he is not here to work on our computers? Scott was an Alabama fan. We could tell that by the way he was dressed today. But, much more than anything, Scott was a born again Christian who loved the Lord with all his heart.

After the death of Scott's dad, Scott rededicated his life to the Lord. Old things and old ways were passed away. Scott began to lead a different life. He went to church regularly. He attended gospel singings. He would video tape these singings and put them online. This was something he loved doing and it gave his life a purpose. Later Scott took his dad's sermons and his uncle's sermons and put them online. Scott wanted to share the good news of Jesus Christ with all who would listen.

If Scott could talk to you today, he would tell you that the only thing that really matters is your relationship with Jesus Christ. If you intend to see Scott again, then you must accept this Savior that was Scott's Savior. Believe on the Lord Jesus Christ and thou shalt be saved. You can honor Scott today by trusting this Savior that is Jesus Christ.

Good bye Scott. I will see you again some day and hopefully so will all of your family and many friends. We love you Scott.

“ Scott has been and always will be our friend and neighbor. Scott never failed to message us on Facebook with a new video upload and ask what we thought. We'll never forget the day that Scott sat in our living room and ask a very important question. We were honored and blessed that day. We will miss you friend and look forward to seeing you again in Heaven.

God Bless,

“ Dear Aunt Jeanette, Joey and Joanna, we are so very sorry about losing Scotty. He was such a bright light. We talked on the phone often and will never forget his trip down here with his "beach bunnies". He got such a kick out of that. I cannot imagine the loss you all are feeling. Please know we love him and all of you.

“ To all of the Bruce family--I met Scott at Pat Hookey Jubilee in Rock
Springs 08/2012, he was very busy with sound etc, near the end of
the day I sat down beside him and he said, you are the only person
that has offered to bring me food or drink today. I have seen him on
other occasions since that day. My path in this life is a bit brighter
because of Scott.===The loss of someone special, Is very hard to
BEAR.=And you feel there's no tomorrow, But God is always
THERE. The tiny drops of tears, That trickle from our EYES, Often
seem as abundant, As raindrops from the SKIES. There's a void in
our heart, That nothing seems to FILL, And a pain that hurts all
over, That can't be cured with a PILL=But if we never lost,=We'd
never know the GAIN= And if we were always happy=We'd never
feel the PAIN= For every bad, there's a GOOD=And God knows
what's BEST= And if we put our faith in him=He takes care of the
REST= If you should ever wonder=If he knows and CARES= I can
tell you from experience= GOD IS ALWAYS THERE. BEN"S PENS"

“ My sisters and I appreciate so much the video ministry that Scott had. His videos of our group and so many others has allowed us and I am sure, so many other ministries to share the Gospel of Christ to those who may have never heard. Scott's dedication and acts of kindness will not be forgotten. OH, if he could only post a video of what he is seeing now. To the family, please know that you are in our thoughts and prayers as you go thru this difficult time.
