“ Scott and I have spent several winters working together there at Point Park on Lookout Mountain and this gave us a lot of time to get to know each other. Many of those days were slow so Scott and I would talk about many things from life itself to the history of the area. I will miss Scott and his sense of humor. We laughed and laughed. I miss you my friend and I dare say that there will never be a day as I work at Point Park that I do not think of you. Rest in peace my friend.

“ I worked with Scott at Point Park for the better part of three summers between 2012 and 2014. I always enjoyed talking with him about life, history, the Park Service. He was a good man with a great sense of humor, and he was always willing to lend a helping hand to those of us still learning the ropes.

*My condolences to his wife and kids. He talked about you guys all the time. It was very obvious that he cherished and was very proud of you all.*

“ Scott was always ready and willing to engage in spirited conversation about the goings on at the park. I enjoyed the humorous moments we shared together as I would come up to Point Park on patrol. We'll miss you, bud.

Scott was my only buddy during two seasons at Point Park about 10 years ago. Whenever I was back in town, I would stop by the park to say hello to him. I'm so shocked to hear about his passing. He was certainly a very smart, funny and convivial guy. My condolences to his family and friends..

“ My prayers and thoughts are with your family at Scott's passing. I shared a lot of laughs with Scott while a seasonal at Point Park, and he bailed me and my colleagues out of plenty of register problems over the years, as well. I'm grateful for his friendship.

“ I always enjoyed working with Scott. Whenever we were together we always shared a laugh. He was very meticulous in his work and as the days go by I am seeing more and more what he did that I didn't have to worry about. I will eat a dark chocolate Reeses in his honor.
