“ God put you guys in my heart tonight and I could not figure out why till I just remembered it was today a year ago you lost your precious baby boy. As a parent my heart just cries out to God for you, I am sure today is a very hard day. I just want you guys to know that you are not forgotten about and that we will be praying for you throughout the day. I pray that God can bring you some kind of peace and strength to get through the day.
