“ We have lost one of the most precious members of our family, Shelia Dover was loved by everyone, and I mean everyone in the family, she was always fun to be around, outgoing, loving, caring and everything else you can imagine. She would make you laugh even when it was the darkest day or night, I will personally miss her so much even tho I didn't get to spend much time with her. Shelia was always there when we needed her the most, and I loved her for that...I love and already miss you sweetie, you'll be missed by everyone, but most of all your children. Love you Shelia.
