“ *Sheila was a wise and kind soul. Even as a 3 year old, she showed grace and kindness to me when I felt alone. She was very intelligent, musically talented, but her loving kindness gave light to all who met her. She will truly be missed. Keep our family singing in heaven, cousin Sheila. You were very much loved. Sue*

“ *Shelia was my class mate, chorus mate, friend and buddy for 50 years...In chorus I sang back up to her soaring, exquisite solos..she befriended my ailing mother thru many of her health issues and supplied inspiration and support...she ran a good business and rendered exceptional computer service to clients I sent her way, increasing prestige just by our association. I miss her so...my condolences to her family and all who like me, treasured her. So glad I spent the evening with her at our 45th year reunion. May she be at peace and suffering no more...*

Shelia was a precious classmate, fellow chorus member and a friend for 50 years. She was a blessing to my dear mother at their church and very fine businesswoman to work with. She was such a beloved friend, and such a blessing to know. I am glad to know her suffering is over....but the light she brought to our lives will be sorely missed. My most sorrowful condolences to her family and friends. Rest in well earned peace, Shelia...

“ I first met Sheila 8 year's ago for computer repair. We hit it off instantly. Our love of playing guitars made the best connection. Several times I brought some old laptops in, not working to see if she could fix them as I wanted to donate them to a homeless shelter so folks could get online and look for jobs, home or reach out to family etc... She loved the idea and split the fee for me. A heart of gold this woman had. I loved her and I will miss her. Fly with the angels sweet one ❤️🙏
