Our hearts are so sad. We were thrilled when Shelia moved in her homeplace and became our neighbor. She was such a friendly, kind, beautiful person. We watched her come faithfully to check on her mother during her illness and final days. Prayers for Tyler and her family and friends that I am sure will miss her even more than we will.

Tyler, Brent, and Blair, in this time of mourning, be comforted by the knowledge that Sheila loved you deeply. In working with her for 30 years, a day did not pass when she did not mention something about you. You and her parents were central to her life. Treasure the memories of all the good she shared.
