“ Shelley was a phone triage nurse at Fonemed with me. She shaped me to be the nurse I am today. Thank you for all the laughs and fun memories! I talk about you often when I'm talking with newer nurses. I think the majority of time we spent on the phone, we were laughing about something. More than likely the UT students and their problems. ;-)  
You had nothing but joy and love in your tone when you spoke of your husband and two sons. Rest in Heaven Shelley. 🙏 Be prepared to "orient" me again, but this time in Heaven.

“ I'm looking forward to a reunion with Shelley and other friends on the new earth. I really thought I'd get to have the chance to visit her at her farm and spend time quilting together, laughing & making more memories.

*I'll miss you, sweet friend. In my memories your laughter spills over and soothes the pain of loosing you. You're forever beautiful, forever full of life, love and grace.*
