“ *I remember Sherri from when I would stay the night with her son
Justin when we were out of school for the summer. She was a nice

“ Sherri was a great friend to me when I was married to her uncle Terry before his passing. I hate that we lost contact after that. She was so funny. She could make you laugh all day. She loved people, animals and life all away around. She use to ask me to make her oat meal all the time back then. She loved my oat meal. I hate that she had to leave her earthly family behind. But I know she is happy now with rejoining her heavenly family. She will be missed and never for gotten for the joy in every ones life that she had touched.

“ Sherri was not just my cousin. She was my big sister. She toted me around and was always there if I needed her. I'm very sad that we lost touch over the years. I've thought of her often. Her sense of humor was the best. She was kind and sweet and generous. This is how I remember her. She shaped my life in so many ways. I will always love my Sissy

“ Sherri was a very good person she took on the roll of mom for 5 other kids and that was a tough job. She was so funny and always had us laughing, she was a great grandmother to all her grandkids! She will be missed more than she will ever know!!
