“*Mrs. Sherry was not only the first person to speak to me at dialysis, but was also my first real friend there. We initially bonded over of shared love of “The Twilight Zone” tv show and quickly grew into being accountable to each other about our health. She loved my 10yr old daughter and enjoyed hearing about her budding dance career and looking at the multitude of pictures I had of her. I will always cherish your kindness towards me and my family; your friendship, and compassion will sorely be missed. I pray you rest peacefully and are received lovingly into our Savior’s arms.*

-Love Always,
