“ I worked with Sherry for several years at Signal Centers. She was a very kind and generous person! Sherry was always so sweet and never failed to help anyone in need. I am sure she will be missed by her loving family.

“*Sis, you have played a big role in helping me weave this tapestry of my life, and now there is a giant hole torn in it. I know that with the coming years, the hole will never be mended. I miss you so much, but I know that you will always watch over me no matter where we are. Love you to heaven and back.*
