“ GeeGee you are greatly missed already. My heart breaks for everyone who knew you! Such an amazingly sweet and fiesty person. Truly going to miss all the laughs we used to share. The Townsend family and I aren't blood related but they have always been family. I pray for comfort to surround you all during this devastating time.

Charles, Chris, Tammy, Chris, Kaylee and Angel I used to work with Shirley at Save-A-Lot and we became friends after she left ten years ago I did not see her much but we occasionally talked to one another or I found out about her through Tammy but I just want to say that I am sorry for the loss and that you all are in my thoughts and prayers during this stressful time. I worked with Shirley at Sav A Lot. She was such an amazing sweet funny woman. If I was having a bad day she would always say something or do something that would make me laugh. I'm so sorry for your loss. When I heard about her passing the first thought that hit me was when she told me about the 3 stars lined up in the sky known as the 3 sisters. She always considered those stars to represent her and her sisters. Now she is up there with them. I know the most important thing to her was family and now she's gone on to be a guardian angel for all of you. My prayers are with you all
