“ Bug I will miss you very much. I will miss leaving money under the mat and inhalers on the front porch and the other things you asked for. I will miss getting extra keys made when you lose them. I will actually miss picking up your socks. You are in my heart and will always be. I love you unconditionally and will until I die.

“ Maddiey you were such a sassy funny little girl and your love of ranch was fierce. You told me once blood doesn't make us related but we were family. We had a lot of adventures from sledding down the driveway to driving a uhaul to Kingsport. Our adventures may be over for now but I will see you again. Love you.
