“ Our precious baby Skyler Marie Gracie Chambers is in heaven now. My Little Ray's sunshine proudly walked up the Golden Gates with the good Lord above and her Nana Gail Tolbert along with other family members she's happier than ever, and mostly dancing, she gained her wings, she's in no more suffering, her body, her mind, her soul, is perfect now, she gets to run with all the little birdies, her friends, her family, and she's going to shine on and walk in those roses picking pedals, but her mawlmawl knows that she's in a better place now and so much happier, I can see her up in heaven with a red rose on the side of her head in her hair with a beautiful, beautiful white gown on with her wings and one day her pawlpawl and mawlmawl will see her again and when I do, my arms are going to be wide open, so you rest in peace our little angel we love you, sadly missed. I can't imagine having you back in the same situation here on earth, that you was in. I'm so happy that you are perfect now with an amazing heart and soul. You're beautiful inside and out and you were beautiful inside and out when you were home I love you baby girl you will always be in our hearts, never will forget you. Love you so much baby girl. My little Ray of Sunshine ❤️ Pawlpawl James Chambers and Mawlmawl Pamela Chambers. we love you baby girl, you will forever be out little Ray of sunshine and our precious babygirl skyla.

“ Beautiful Skyla what a blessing you were to so many people in your short life. You were a miracle from day one. Loved by so many and you will definitely be missed. I was fortunate enough to get to spend a little time with Skyla on Wednesdays. Talking to her and when I would rub her nose or stroke her sweet temples, her beautiful little eyes would grow heavy. I loved seeing her every week. You touched so many and will continue to be in our hearts. RIP beautiful Skyla 🥹 Judy

“ I remember the day she was born Rosie and I pacing the floors waiting. Lol us stalking the hallway waiting and watching for her. And we jumped out in front of the nurses taking her to NICU so we could see her. She blessed so many lives with her beautiful presence. I will miss that beautiful little face every Wednesday in your cute little outfits and pink crocs. Run free in heaven my sweet girl 💔
