“Pete, Jake and Jessi, I was devastated to hear of Robin's passing. She left me with 18 years of beautiful memories of when we worked together in Dalton. We had so much fun at the office. We shared our ups and downs, hopes and fears and everything in between. She was like a sister to me. I will miss that big beautiful smile that would light up a room. Grady and I pray that you will find comfort. God bless your family.

“ Robin will be dearly missed. She was a very sweet and charismatic person. She also had a very motherly quality and offered support to anyone who needed it. One of the last things she helped me with was getting that awful OC spray washed out of my eyes!! I spent lots of time talking with her about various things over the years. She loved her family VERY much. Jake and Jessi, her face just lit up with pride when she talked about you both. She will always be remembered.
